Thursday, September 26th, 6-9 PM Harbor Lights: 82 Seaview Ave., Norwalk, CT 06855

The Halstead/Metroflor Crisis Team invite you and your organization to become a Corporate Sponsor of our first event as we honor our champion Harlan Stone for his unwavering humanitarian spirit. This evening will help raise the funds to reach our million dollar goal for 2020.

Harlan Stone, President and Group CEO of HMTX Industries LLC, embodies the spirit of innovation and transparency through business and philanthropy.

The Halstead/Metroflor Addiction Crisis Team (HMCA) is a nonprofit organization with a mission to raise funds to combat the addiction epidemic nationwide. It provides funds to organizations that can provide rehabilitation and education to families who otherwise would not be able to afford it.

In partnership with The Blanchard Institute, HMCA is committed to raising the fully tax deductible \$1 million in donations through a 501c3 partnership with "Faith in Four: Recovery, Prevention, Education and Treatment". Contributions will fund scholarships to rehabilitation and education facilities.

The following organizations will receive the funds at the end of our campaign in June of 2020:

- The Blanchard Institute, Charlotte NC
- Damascus Road Recovery, Covington, GA
- Genesis Ministries, Kennesaw, GA
- Hope House Ministries, Port Jefferson, NY
- Thomas' Hope, West Babylon, NY
